## **Disclosure to Seller: Voluntary, Arm's Length Purchase Offer**

*(to be signed by Seller prior to execution of purchase offer and contract of sale)*

This is to inform you that \_\_\_\_\_ would like to purchase the property located at \_\_\_\_\_ if a satisfactory agreement can be reached. They are prepared to pay \$ \_\_\_\_\_ for a clear title to the property under conditions described in the proposed contract of sale.

Because Federal funds may be used in the purchase, we are required to disclose to you the following information:

1. The sale is voluntary. If you do not wish to sell, the buyer, \_\_\_\_\_, with North Suburban Consortium (NSC) assistance will not acquire your property. The buyer does not have the power of eminent domain to acquire your property by condemnation (i.e. eminent domain) and the agency/sponsor NSC will not use the power of eminent domain to acquire the property.
2. The subject property is listed for purchase at \$ \_\_\_\_\_. We believe the property's fair market value is \$ \_\_\_\_\_ (*appraised value acceptable*). The buyer is prepared to purchase your property with assistance from the NSC, however, depending on the results of the appraisal, the written offer may differ from this amount.

Since the purchase would be a voluntary, arm's length transaction, you would not be eligible for relocation payments or other relocation assistance under the Uniform Relocation Assistance and Real Property Acquisition Policies Act of 1970 (URA), or any other law or regulation. Also, as indicated in the contract of sale, this offer is made on the condition that no tenant will be permitted to occupy the property before the sale is completed.

Again, please understand that if you do not wish to sell your property, no further action will be taken to acquire it. If you are willing to sell the property under the conditions described in the contract of sale, please sign this document and the contract of sale and return to: North Suburban Consortium, c/o Malden Redevelopment Authority, 215 Pleasant Street, 3<sup>rd</sup> Floor, Malden, MA 02148.

If you have questions, contact the NSC HOME Program Director at 781-324-5720 Ext. 5729.

Sincerely,

\_\_\_\_\_

As the Seller I/we understand that the NSC will inspect the property for health and safety deficiencies. I/we also understand that public funds may be involved in this transaction and, as such, if the property was built before 1978, a lead-based paint disclosure must be signed by both the buyer and seller, and that a visual assessment will be conducted to determine the presence of deteriorated paint.

As the Seller, I/we understand that in order for the buyer to receive assistance from the NSC, the property must be currently owner-occupied, vacant for at least 3 months at the time of submission of purchase offer, new (never occupied), or renter purchasing the unit. I/we hereby certify that the property is:

**HOUSING QUALITY STANDARD (HQS)  
INSPECTION DISCLOSURE**

The North Suburban Consortium (NSC) through its designated entities will conduct a visual “hands off” inspection of the readily accessible areas of the property to determine compliance with the Housing Quality Standards (HQS) as adopted by the U.S Department of Housing and Urban Development (HUD).

The HQS inspection will be performed by the NSC through its designated entities prior to the acquisition at no cost to the buyer or seller.

If the house does not pass HQS, the Housing Rehabilitation Inspector will create a list of necessary work and a cost estimate. If it is determined that the buyer can reasonably undertake the work necessary to meet HQS, the buyer can sign a statement of their intention to complete the work within six months. If more substantial work is needed, the buyer must either apply to the Purchase and Rehabilitation loan program or select another home.

The HQS inspection is not intended to be a replacement for any other property inspection required by the lender or requested by the buyer. The HQS inspection will be made of readily accessible areas of the building and is limited to visual observation or apparent conditions existing at the time of the inspection only. Latent and concealed defects and deficiencies are excluded from the inspection: equipment and systems will not be dismantled. The HQS inspection is not a guarantee or warranty of the adequacy, performance or condition of any structure, item or system at the property address.

NSC and/or its designated entities is not responsible for the cost of repairing or replacing any reported or unreported defect or deficiency and for any consequential damage, property damage or personal injury of any nature.

Acceptance and understanding of this disclosure are hereby acknowledged:
